

Joining the EK Community Project

Introduction

This project was created with the intention of opening up the material of David Grove to the public and allowing a like-minded group of individuals to discuss and develop this material further.

The material presented here is considered to be [Open-Source](#).

How to Join

Currently the method for joining this project is simply:

- Sign up by emailing newuser (at) self-alignment.com with your request and chosen Username
- Add your name to the [EK Community](#) page
- Create a page for yourself under people:[your_name] and provide a resume and your intentions as a contributor
- Add your personal page to the [start](#) page

Wiki Usage

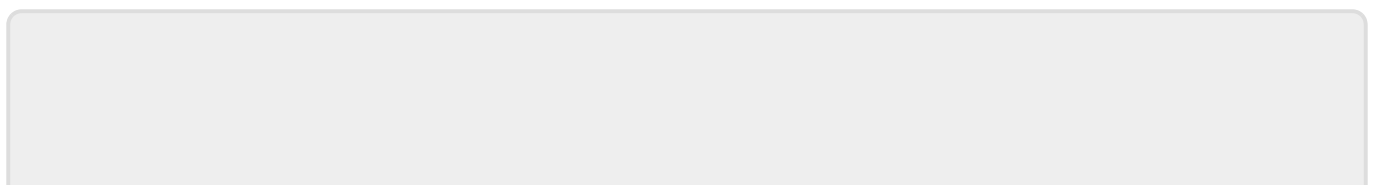

This section needs work

As a contributor, feel free to make additional pages and add these under a relevant heading on the [start](#) page.

If you are making adjustments on a page:

- Create a discussion on the page and start your discussion ([Instructions](#))
- Highlight the section you wish to change using:
 -  **Fix Me!** `FIXME`
 -  **Delete!** `DELETEME`
- Clearly show what you want to add or change

The method for group approval still to be arranged
