The Issue Buster

Introduction

This process was developed by Steven Saunders of the Holigral Network. It is a very powerful process, that develops A, B and C, pulls back the history of B and then rebuilds B with the new knowledge obtained.

A transcript of this process is available.

The Process

- "And what (else) do you know about that?" (six times)
- "And what do you know now?"

- "And what (else) does that know about you?" (six times)
- "And what do you know now?"

- "And is there anything else about that?" (six times)
- "And what do you know now?"

- "And where could that come from?" (six times)
- "And what do you know now?"

- "And then what can happen?" (six times)
- "And what do you know now?"

- "And is there anything else about that?" (six times)
